NOTES: The figures for each category might not total 100% exactly because of rounding to the nearest tenth of a percentage.
2007-08 is used as the comparison year since the NCAA reporting method was different in prior years.
Percentages represent the total in the racial category. Male and female divisions are indicated as shading within the bars.
* Other: Hispanic/Latino, Asian, Native Hawaiian/Pacific Islander, two or more races, etc.
